

## Tip-on / Attaching Series Streamfeeder Attaching System

### Overview

New to attaching/tip-on fulfillment? Let us help configure a turn-key system for you.

The Converge Series Attaching System is a complete turnkey solution. Place and affix products like plastic cards, magnets, CDs, business cards, folded inserts, calendars and pads to a variety of carrier pieces. Our flexible design allows you to incorporate a number of specialty options such as plow folding, tabbing, ink jetting and label application. The advanced servo motor technology provides unmatched speed and accuracy.

### Standard Features
